Dear Eagles for Children Committee Members:

I was honored to attend the Eagles for Children Awards Ceremony in November on behalf of First Presbyterian Church, Birmingham (FPCB) and Alcott Elementary School (Pontiac, Ml). What an amazing evening celebrating the efforts of so many people helping children in the community. I am a member of FPCB, and the church partners with Alcott Elementary to try and provide as much assistance to the school community as possible. The church reaches out to other organizations that might have additional funding sources to help meet needs of the children.

On behalf of the church, and more importantly, Alcott Elementary School, thank you so much for the award of $1,500 to help provide underwear to every child at Alcott. The total cost of this request was split between two Clubs and both Clubs awarded the requested amount so each student was able to receive new undergarments. The school provided me with a list of sizes for each student and a small group of church volunteers ordered, packaged and delivered these items to the school mid-December. I've enclosed a couple of photos of the day we packed and some of the bins of bags containing these items for the students – over 250 students received this special gift – just in time for their holiday break.

Principal Burdena Johnson was also in attendance at the Awards Ceremony and is so grateful for the outpouring of support from the Eagles for Children Program. Please know how much this gift means to the Alcott students; the security and warmth of having new, clean undergarments that fit properly does so much for their personal growth and self-care. Thank you so much for this generous gift supporting the Alcott Elementary School students.

Thank you again.

Stephanie Kummer
